

2nd December 2020

Upcoming works Brecon Close
Road Closure

To the Resident,

We will be closing a small section of road on Brecon Close as indicated below from Monday 7th December to Friday 11th December. This is to accommodate the construction of new drainage infrastructure for the adjacent development.

The footway will remain open along Brecon Close giving access to Snowdon Close and Grampian Walk and the driveways for number 29 Brecon Close will not be affected by the road closure.

We apologise in advance for any inconvenience this may cause.
