Block B, Willow Heights.

This block comprising of 19 two bed apartments will be completed around easter and released for sale shortly after.

Block D.

This block comprising 14 two bed apartments and ground floor retail units is positioned opposite Chestnut House next to the temporary shop. Preparation work will commence here next week in readiness for the piling rig starting week commencing 15th March. This block is expected to take 14 months to construct.

Parcel 6, Brecon Close and Cheviots Place.

We are progressing well with the construction of 15 three and four bed houses and hope to release these for sale early this summer.

Short Meadow, on the low side of Cambrian Lane.

The final landscaping and grassed bunds will start on the 15th March, this will involve closing a large part of this area to accommodate the works safely. We ask you for your patience whilst this work is completed and trust that when the grass is green, and the trees and shrubs are planted you will be able to enjoy this area as you do with the other areas of Public Open Space.
