We would like to inform you of the footway reinstatement works planned for this Saturday, we will need to prepare for the new tarmac during the course of Friday leaving access to each front door with the intention of preparing these sections just before the work takes place on Saturday morning.

Can we politely ask that if you need access on or off your drive on Saturday morning between 0800 and 1400 you move your vehicle before these timings please.

Thank you in advance for your cooperation.
