### Street Lighting

We would like to inform the residents of Little Stanion that as of today the streetlights across the village, that are marked with a yellow sticker within the adoptable footways across the development have been adopted by Corby Borough Council.

For your information, the stickers contain the following information in black text on a yellow background positioned facing the nearest carriageway.

- CBC- In reference to Corby Borough Council.
- RMR- As an abbreviation of Roman Road, this is different dependant on the road/close/way/drive that the streetlight is located on.
- 001- A reference number

This information,

- the responsible Authority
- road name abbreviation
- reference number

Can be used to pinpoint a defective or damaged streetlight across the development.
