Changes to Road and Footway closures- Village Square, Epping Road and Kesteven Way

As we near completion of Chestnut House (block A) and Willow Heights (block B) we can safely open some of the adjoining roads and footways. Epping Road will be opened to both vehicles and pedestrians and Kesteven Way will be opened to pedestrians only. The above plan illustrates these changes. Epping Road will be opened on or before Friday 18th June and the footway access from Epping and Kesteven will be opened up during wc 21st June.
