Site Communication – 23rd December 2021

Block D - Work Starting January 2022

Construction of Block D (Sycamore View) will commence in January 2022. This block consists of retail units on the ground floor and 2 bed apartments on the 1st 2nd and 3rd floors. We intend to prioritise the retail units to make them available for use by the Autumn of 2022. To minimise the impact of constructing this block we will be changing the Temporary Shop car park access arrangements as indicated on the plan above.

Merry Christmas to all and Happy New Year
